Wagner Meters Service Information

The L610 meter(s) will be repaired, tuned, tested, recalibrated to factory standards and returned within 3-6 working days.

The cost for repairing one L610 unit depends on the level of service it requires (see box at left). The price for a level one repair is \$685; a level 2 repair is \$995. Should the meter require no repair, it will be recalibrated and a \$165 diagnostic/recalibration fee will be charged. If the meter is unrepairable, you will be notified before any action is taken.

RUSH handling \$75.00 (Every effort will be made to turn around repair within 24 hours during business days.) Please check box if required.

Prices subject to change without notice.

Customers will be contacted for payment options before any action is taken.
